Dear Prospective Student,

Thank you for your interest in Frontier School of the Bible.

Frontier is a Bible Institute committed to solid Bible training, with a strong emphasis on practical application. Students who attend here not only experience a unique frontier setting, but a family atmosphere as well. We are excited about what God is doing here!

If you would like to apply, you will find everything you need on our website (www.frontierbible.org): an application, a medical history form, a reference form (print twice), a pastor's reference form, and a transcript request form. **The application and medical history form need to be printed, filled out and returned to me along with your \$15 application fee, recent photo, and the written testimony of your salvation, your surrender to God's will, and His leading in your life up to the present time.**

Print out and give the two reference forms (along with stamped envelopes addressed to the FSB Admissions Office) to people who can fill them out for you. **Remember, these people need to be over 21 years old, cannot be relatives, and must have known you for at least one year.** Print out and give the pastor's reference form to your pastor (if he is a relative, give it to an elder or board member). The forms should be sent to me as soon as possible. I also need a signed and sealed copy of your official school transcripts. Remember to fill out the confidentiality waiver at the top of each reference form.

If you are a prospective international student, you will find additional requirements on pages 12-13 in our electronic catalog.

As soon as I have received all the necessary information, I will give your file to the acceptance committee. It may take a week for your file to circulate among the committee members. They will then tell me their conclusion and I will advise you of the decision.

If you would like to visit us, just call and let us know the dates, and we will make arrangements to give you a tour of the campus.

I encourage you to call or write if you need any more information about our school. For your convenience, our contact information is above.

Sincerely,

A handwritten signature in cursive script that reads "Michele Hanson".

Michele Hanson, Registrar
